Hello,

We are reaching out regarding an email families are saying they received about "consolidation, closure, or programmatic changes at the elementary level" due to enrollment numbers.

- Can you confirm this email was sent out/ when?
- Can you also detail the enrollment projections detailed in that email?
- What exactly does "consolidation, closure, or programmatic changes at the elementary level" look like? Are there elementary schools that would be targeted sooner than others?
- How soon could these changes be happening?
- Any other information you can give us?

Please let me know.

Best,
Rhea
