Rob, any thoughts on who or if this inquiry should be forwarded?This is a parent with a child in a local private school for neurodivergent students.

Hi Michelle,

I hope you're doing well.

I'm reaching out because Barred Academy (where Yara attends) is beginning to explore future space options as their current lease will be coming up. Given the enrollment shifts BVSD has been experiencing, I wanted to ask if the district anticipates having any properties or facilities that may become available.

If you're not the right person for this question, I'd really appreciate it if you could point me to someone who might know.

Thank you so much.

Best,
Carole
