Hello Laura,

I checked with Lora and she said that she was asked by Rob to initiate and get this consultation done and she did but she is assuming is coming out of Rob's budget.
Can you please follow up with Rob and let me and Stephanie know what account code to use for this contract so we can finalize payment.

Hi Limary,

Billig Consulting has already sent an invoice (attached). Whenever you can get me the funding code, I'll activate the contract in Infor so the invoice can be applied.

Thank you!

Hi Limary,

Attached is a new contract we just finalized for Billig Consulting - it's for consulting/research on microschool and K-2 school models and was requested by Lora. Can you please send me a funding code so I can activate the service contract in Infor? The total is $10,000.

Thanks!
