Hi Kris,

When the Ed Specs are ready to share, please forward them to Michelle Brenner for the Elementary SPED programs. I informed her that she should expect to receive them from you and would need to evaluate them against our current spaces/programs.

Thanks,

Rob

Rob, was the week of June 22nd what was set aside for special programs to review possible closure/consolidation options? I had a note that options would be generated before that and possibly to keep that week open for our team's review. Did I write this accurately?

You also mentioned having us look at the current space requirements for a program to get ahead of this planning. Do you have that to send me?
