Hi Rhea!!

I'm happy to help answer your questions and facilitate an interview.

Typically, we have been having our Assistant Superintendent of Operations speak on this matter and tomorrow afternoon is looking far better than today... if that is at all possible. If not, we will make it work.

Randy

I actually just found the announcement on your website.
Would anyone from the school district be willing to speak with us about this tomorrow afternoon?

Please let me know.

Best,
Rhea

Hello,

We are reaching out regarding an email families are saying they received about "consolidation, closure, or programmatic changes at the elementary level" due to enrollment numbers.

- Can you confirm this email was sent out/ when?
- Can you also detail the enrollment projections detailed in that email?
- What exactly does "consolidation, closure, or programmatic changes at the elementary level" look like? Are there elementary schools that would be targeted sooner than others?
- How soon could these changes be happening?
- Any other information you can give us?

Please let me know.

Best,
Rhea
