Hi Randy,

I'd be happy to follow up with you in June. Good luck finishing out the year!

Unfortunately, I cannot make those COSPRA dates in June work for me, but will consider in the future. I love the state SPRAs and am a member of NSPRA, PenSPRA and CalSPRA currently.

Currently we are a bit swamped, but given the projects we've got coming up -- including the likely closure/consolidation of schools -- I would love to talk with you this summer about your services. Shall we plan to circle back in June, once we get through the current craziness?

Might be a good opportunity to connect with school communicators in our state. Carolyn Stephen handles sponsorships.. and would be the person to connect with, if interested. I've cc'd her on this email, just in case.
