Outstanding! Thank you.

Let's go ahead and lock in April 24. That is right in our engagement window, so it is a perfect time to connect with the rotarians.

Merrill,

I just wanted to circle back with you to see if there might be an opportunity for Superintendent Anderson to speak to the rotary.

Thanks!

Danny and Merrill,

I wanted to check to see if the Rotary might have an opening this spring for Dr. Anderson to come and speak once again.

We are just beginning to engage the community around some tough decisions in the face of continued declining enrollment in the Boulder Valley School District -- including the potential of closure or consolidation of schools.

Let me know if you've got any openings between now and May.

Randy
