Meeting Overview

- Enrollment Decline: 3,600 students lost in 10 years; projected 1,700 more in five years, driven by demographic shifts.
- Academic Performance: District maintains top performance metrics while enrollment drops, indicating strong educational quality.
- Underutilization Issues: 30% capacity underutilization in elementary schools means 4,800–5,100 open seats, straining budgets and services.
- Resource Constraints: Declining enrollment leads to mixed-grade classrooms, reduced counseling access, and increased teacher workloads.
- Community Feedback: Six sessions held for broad input; priorities include differentiated learning, emotional support, and addressing teacher burnout.
- Strategic Options: Five options to stabilize enrollment discussed, including program relocation and school consolidation, with community input essential for planning.
