Meeting Overview

- Enrollment Decline: District lost 3,600 students since 2017; expects another drop of 1,700 students within five years.
- Facility Utilization: Projected 35% underused capacity with 4,800 open seats, causing resource allocation challenges.
- Demographics Issue: Fewer children under age 10 and a rising population over 60 exacerbates enrollment decline.
- Feedback Process: Community sessions gathered input on challenges like part-time counselors and teacher workload, aiding decision-making.
- Strategic Goals: Focus on quality education, resource balance, stable enrollment, and fiscal efficiency to guide changes.
- Timeline for Changes: Community engagement through October; recommendations to board in August, with decisions expected by October.
