Hi Jon,

The career week form says " Please complete this form if you are willing to participate as a Guest Speaker on Thursday, March 12, 2026 at **Flatirons Elementary** - 840 North 75th Street, Boulder 80303 "

I assume that's just a typo and the presentations will be at Douglass?

Gloria

We wanted to alert families and staff as early as possible and that decision to close was made just before 6. Thanks for your understanding that a safe school requires water, and we expect to be back to normal activities on Monday.

The Universal Preschool Program (UPK) application for four year olds is now open. The pre-registration period for children returning for a second year of preschool, preschool siblings of children already attending, and parent employees closes on February 2nd. Returners will have a spot reserved for them but they must apply through the UPK website to keep it. Siblings and parent employees will be enrolled first come, first served. Apply here.

In 2026-27 we will continue to offer half-day Preschool sessions five days a week, morning and afternoon, at all of our sites. The majority of our sites also offer Preschool Enrichment to extend the day.

Families who are paying tuition for more than one child can apply for a 15% sibling discount in either Preschool or Preschool Enrichment. A 15% discount to Enrichment tuition will be offered to parent/guardian employees. (Please note that only one discount can be applied.)
Children do not need to be potty trained to enroll in a BVSD preschool!

Congratulations to Jahnavi Naidu who won the School Spelling Bee on Monday! It was a challenging set of of words for students to tackle - we are so proud of all our participants - and the championship word was “fiberglass”. Jahnavi advances to the Boulder Regional Spelling Bee on March 7, 2026, at New Vista High School Good luck Jahnavi!

Tween Time at the Boulder Public Library. Starting Saturday, Feb. 7, tweens are invited to hang out, explore, and connect during a dedicated hour just for them in the Main Library's Teen Space every Saturday. While the Teen Space is typically reserved for grades 6–12, opening it to tweens gives them a chance to build confidence, explore independently, and ease them into the teen years in a welcoming environment.

The library has also opened up most of our teen programs for tweens to attend! Check out our calendar of events at boulderlibrary.org to check out some fun upcoming events, like Anime Club, Annoy Squidward Day, and National Pokémon Day. A flyer is attached here - Tween Time .
