Hello Jenn and Chris,

It was nice meeting with you yesterday. I am glad you are thinking ahead about traffic issues!

Here is the sign company that we have ordered from: https://www.trafficsign.com/products/45162/custom-vertical-panel?s=edd8zskpdcgzpa4wrt

FYI, I have attached the consultant's recommendations from 2020. We did implement many of their ideas.

Thanks,

Amy
