Hey Janey - Revised copy attached and I have highlighted Sanchez and Uni Hill in column BF as these are showing the small overhead amounts we have been pushing back and forth. Please check actuals and see where we need to adjust.

Also, this copy overrides the one you sent after our meeting as there were a handful of projects that were still showing old projections. Once you can make these changes please send back to me for a final look.

Thanks and let me know if you have any questions.
