Welcome to DAC! Thank you for stepping up to serve in the role of your school's DAC representative. This is a very important volunteer position. The DAC is a state mandated committee responsible for weighing in on Board Policy, the District UIP and the budget. I've copied Allie and Felicia who are the co-chairs of DAC. They will fill ou in and give you the guidance you need to get up to speed this spring. I have attached minutes and agendas from the past few meetings so that you can "catch-up" on what the DAC has recently been addressing. Feel free to reach out with any additional questions. Our next meeting is Tuesday, April 7th at 6:15pm.
